ABC KinderCare Centre is the first chain of kindergartens In Bulgaria offering international education and environment for children from 2 to 6 years old.

A team of dedicated professionals, focused on a personalized approach to meet the individual needs of the children, follows a methodology fully in line with the latest trends and standards in the field of education. Since our foundation in 2008, we have been educated for more than 450 children who made us proud by continuing their education in some of the top schools around the world. We keep in touch with our former Families as we don't simply provide education, we create a strong community and source of happy memories and relationships, bringing our motto "we care the most" to life.

ABC KinderCare Centre is part of VM Finance Group, a Bulgarian economic group which manages a portfolio of 9 companies in various industries.
