

# INTERNSHIP 2015 @ MP-STUDIO

MP-STUDIO is a cutting edge visual effects company specialising in 3D Projection Mapping and Visual Effects. Pioneers in 3D Projection Mapping in Bulgaria and Eastern Europe. After creating the first Projection Mapping on a building in Sofia, MP-STUDIO created and directed the biggest projection mapping productions in Bulgaria and Belgium. MP-STUDIO also took part in many international projects in Europe & Middle East (Kuwait, Dubai, Qatar, Austria, Netherlands, France, Belgium).

Our goal is to run a highly efficient visual effects service from pre-production to final delivery, offering our clients clever and creative solutions that capitalise on their extensive experience and interactivity .

Some of our clients are: Marlboro, LM, Parliament, LG, EVS, Coca Cola, Oracle, Parc Asterix Paris, Bayer Austria, The State of Kuwait, Hautmont-Noel (France), Nestle, Eurovision, Bulgarian National Television, European University Polytechnical, Domino's Pizza, City of Liege (Belgium), Abbaye Du Val-Dieu (Belgium), City of Mons (Belgium), Local music performers, political parties, national organisations etc.

We are looking for **After Effects Artist** and **Cinema 4D Artist** for our Summer productions in Europe. The Ideal candidates should rock on **both** softwares and be extremely driven, innovative and passionate about CGI, Motion and design. The internship could potentially lead to a paid full time position, if the candidates are a good fit with our team.

Working with our team means doing what you love doing best: creating top notch motion graphics and visual effects for 3D Projection Mapping Events, Live Shows, ultra wide-screens and much, much more.
